PAUL J. CLEARY  
United States Magistrate Judge

**AFFIDAVIT OF SPECIAL AGENT JOSEPH CECCHINI OF  
THE FEDERAL BUREAU OF INVESTIGATION (FBI)**

**I.  
BACKGROUND**

1. Your Affiant, Joseph M. Cecchini, is a Special Agent of the Federal Bureau of Investigation (FBI). I have been an agent with the FBI for approximately seven (7) years, during which time, your affiant has been assigned to the Oklahoma City Division, Tulsa Resident Agency. Prior to my employment with the FBI, I was employed as a police officer with the City of Hallandale, Florida for nine (9) years.
2. The FBI is charged with investigating violations of Title 18, United States Code, Sections 2422(b), which includes the use of an interstate facility to knowingly persuade, induce, entice, coerce or to knowingly attempt to persuade, induce, entice or coerce, a minor to engage in any sexual activity for which he can be charged with a criminal offense.
3. As a Special Agent with the FBI, I am authorized to both investigate violations of the laws of the United States, and to execute warrants issued under the authority of the United States. Since joining the FBI, I have been involved in investigations of various criminal offenses, including, but not limited to, violent crimes, car theft schemes, sexual exploitation of minors, and terrorism. For the past four (4) years, I have been assigned to investigate violations of federal law involving the Sexual Exploitation of Children (SEOC). During this time-frame, I have attended numerous seminars and classes relating to the SEOC, and have conducted everyday work that is related to these types of investigations. Through this

training and hands-on experience, I have gained an expertise in the multiple aspects of such investigations. Specifically, I have investigated various violations of federal law involving the online sexual exploitation of children, including investigations and an arrest for violations of Title 18, United States Code, Sections 2422(b).

4. The information provided in this affidavit is the summation of an investigation conducted by Oklahoma City, Tulsa Resident Agency FBI Agents, The statements contained in this affidavit are based in part on information provided by Special Agents of the FBI, including myself, and other law enforcement officials. Since this affidavit is being submitted for the limited purpose of establishing probable cause, I have not included each and every fact known to me concerning this investigation. Specifically, I have set forth only the facts that I believe are necessary to establish probable cause to believe that violations of Title 18, United States Code, Section 2422(b) have been committed. The information contained in this affidavit provides probable cause to believe that **MICHAEL DOUGLAS WILLIAMS** did utilize interstate facilities, to wit: a computer and a telephone, to knowingly persuade, induce, entice or coerce, or to knowingly attempt to persuade, induce, entice or coerce a minor, who he believed to be under the age of eighteen (18) years, to engage in sexual activity for which he could be charged with a criminal offense.

### **DEFINITIONS AND EXPLANATIONS OF TERMS USED IN AFFIDAVIT**

**“AMERICA ONLINE”**

5. America Online (AOL) is a commercial computer service company that is headquartered at 22000 AOL Way, Dulles, Virginia. AOL provides services to Internet users, including e-mail, Groups, Internet search capability, games, personal ads, chat, instant messaging, and other services. Many of the services offered by AOL are free to users who access AOL by computer over the Internet.

**“AOL INSTANT MESSENGER”**

6. Users of certain AOL services, such as AOL Messenger, are required to register with AOL in order to obtain a Instant Messenger (AIM) ID.

7. An AIM ID is a unique identifier of a user's account. During the registration process of obtaining an AIM ID, the user must select an ID (sometimes referred to as a screen name, Login Name, or profile), a password, and must also supply some personal information which AOL. AOL users can register online through use of a computer. After a user is registered, that user must sign in with a AIM ID each time that he/she attempts to use AIM Instant Messenger.

**III.**  
**PROBABLE CAUSE**

8. The substance of the affidavit involves communications by computer and by telephone between two (2) individuals. One (1) of the individuals was myself, SA Joseph Cecchini, who was acting in an undercover capacity as a fourteen (14) year-old female during these communications.

**A.**  
**MEANS OF COMMUNICATION**

9. Specifically, SA Cecchini, while acting in an undercover capacity, communicated with **WILLIAMS** solely by sending and receiving instant messages and by receiving email messages. When SA Cecchini used the services of AOL to communicate with the other individual, he used the AIM ID , "HELLOKITTY520". When the individual, who is now known to be **MICHAEL DOUGLAS WILLIAMS**, used the services of AOL to communicate with SA Cecchini, he used the AIM ID, "SILENCE YET". Further, SA Cecchini, while acting in an undercover capacity, communicated with **WILLIAMS** by receiving email messages. SA Cecchini received these email messages from **WILLIAMS** by using his undercover COX.NET account. Specifically, SA Cecchini used the COX.NET email address LOVEMYRETRIEVERS@COX.NET when he received email from **WILLIAMS**. **WILLIAMS** used the email account MILKE@MILKE.COM when he sent email to SA Cecchini, who was acting in his undercover capacity. Additionally, Tulsa Police Officer Susan Ha acted in an undercover capacity as the same fourteen (14) year-old girl that SA Cecchini was acting as in his undercover capacity. In short, Officer Ha, acting in her undercover capacity, communicated by telephone with **WILLIAMS** during this investigation.

**B.**  
**FACTUAL TIME LINE**

10. On January 12, 2005 SA Cecchini was contacted by Detective Debbie Erfurdt of the Broken Arrow Police Department. Det. Erfurdt advised that she was involved in the investigation involving an actual and identified fourteen (14) year-old female, whose parents discovered that she was engaging in an online relationship with an apparent thirty (30) year-old male (**WILLIAMS**). According to the fourteen (14) year-old female, prior to her parent's discovery of this online relationship, she told officers that this online relationship had been ongoing and continuous since September, 2004. The initial contact was made by an apparent thirty (30) year-old male (**WILLIAMS**), who initiated contact with her by sending her an unsolicited email from the email account, MILKE@MILKE.COM. The fourteen (14) year-old female told investigators that as her online relationship with apparent thirty (30) year-old male (**WILLIAMS**) progressed, she sent several email messages to MILKE@MILKE.COM wherein she specifically told her true age of fourteen (14) years. In addition, MILKE@MILKE.COM advised the fourteen (14) year-old female that he was in fact a thirty (30) year-old male named MIKE from Tulsa, Oklahoma. During the course of this relationship, the fourteen (14) year-old female and MIKE (**WILLIAMS**) used COX email services, Nameplanet.com, and AOL Instant Messenger Chat service to communicate with each other. During several of these communications, MIKE (**WILLIAMS**) and the fourteen (14) year-old female often communicated about meeting each other to engage in prohibited sexual activity. During these communications, MIKE (**WILLIAMS**)

communicated to the fourteen (14) year-old female that he was interested in the particular prohibited sexual activities of, "blowjobs", "fingering", and "sex". During mid-December the parents of the fourteen (14) year-old discovered the online relationship and reported it to the Broken Arrow Police Department.

11. The fourteen (14) year-old female and her parents filled out a written consent form evidencing their permission for the FBI to assume their fourteen (14) year-old daughter's online identity, "HELLOKTTY520", beginning on January 13, 2005.

12. On January 13, 2005, while SA Cecchini was online in an undercover capacity using the assumed AIM ID of the fourteen year-old female, he was contacted via chat by an individual using the AIM screen name, "SILENCE YET", the screen name now attributed to WILLIAMS. During this online encounter, the following conversation occurred:
